Courses taken 3 years prior to the application date may be used to fulfill the requirements. Attendance will be verified. All classes must be completed within the 6 year time period. Master Roads Scholar recognition is awarded to individuals who (1) have completed Levels I and II of the Roads Scholar Program and the Level III courses or (2) have 5 years of experience in public works administration and have completed Level II and the courses listed below in the required 6 year time period. If substituting years of experience for Level I certificate, verification of your years of experience must be submitted on organization letterhead, and signed by your supervisor. Level II and Level III may be taken simultaneously.
