

Coming Events

By Toni Dixon – Kansas LTAP

Kansas Association of Counties (KAC) 2019 Annual Conference and Exposition

November 12 – 14, Wichita

The annual conference includes award-winning keynote speakers, nineteen workshops focusing on topics that address current issues, an awards luncheon and over 100 vendors. Kansas LTAP will be among the vendors supporting KAC, so stop by and say hello. More information on the conference is available on the KAC website, kansascounties.org.

63rd Annual Asphalt Paving Conference

December 5, University of Kansas, Lawrence, Kansas

This annual conference offers the opportunity to explore exciting developments in the field and to discuss the hottest topics with colleagues in the asphalt pavement industry. There will also be exhibitors. The conference is sponsored by the KU School of Engineering Department of Civil, Environmental and Architectural Engineering. More information on the conference is available on the [University of Kansas Professional & Continuing Education website](#).
