

An Update of RTAP Training and Programs

By Emily Wilder, Kansas LTAP

RTAP Training

In 2019, Kansas RTAP held 29 training classes across 22 cities with a total of 425 participants. Kansas RTAP Lead Trainer Anne Lowder taught most of these classes. Anne's classes will resume in the Spring.

Approved Trainer Program

The KS RTAP Approved Trainer Program will continue to hold classes throughout 2019. Class offerings can be found on the Black Cat Grant Management System website. Go to "Organizations" and then the "Kansas Rural Transit Assistance Program (RTAP) calendar." There are currently 29 RTAP Approved Trainer classes scheduled across the state for the rest of 2019. If you don't see a training in your area, please contact the approved trainer in your CTD to check availability or contact us and we can put you in touch with the right people for your area.

If you have any questions, please contact kutc_training@ku.edu.
