

How to Run an Interactive CTD Meeting

A KS RTAP Webinar

By Connor Mountford, KS RTAP

The University of Kansas Transportation Center was pleased to host another webinar as part of our Peer-to-Peer Webinar Series on March 26th. Kristy Haden, General Public Transportation Manager for Wabaunsee County and CTD 5 Coordinator, presented “How to Run an Interactive Coordinated Transit District Meeting.” The webinar had 28 attendees.

If you were unable to attend, or would like to share the information with others, you can view the presentation [here](#).

As always, we are on the lookout for future presenters! If you have a topic you would like to present, please contact connor_mountford3@ku.edu.
