Topeka, KS

Judicial Center
301 SW 10th Ave.

8:30 - 9:00 am
Check In

9:00 am - 3:00 pm
Roadeo and Training

SPONSORED BY KANSAS RTAP AND KDOT

HOSTED BY TOPEKA METRO

The Kansas Transit Roadeo is a great opportunity for operators to show off their driving skills in a safe training environment, but it is also a day of appreciation for drivers. The Roadeo competition helps you to become a better driver and have the opportunity to meet and learn safety skills from others. The buses used in this competition will be 20-passenger, body-on-chassis, wheelchair lift equipped vehicles. And prizes are awarded to the 1st, 2nd, and 3rd place winners of the competition!

Operators are scored on navigating through an obstacle course of orange road cones with a time limit, testing various real-life driving scenarios such as smooth parallel parking, precision backing, pre-trip inspection and excellent customer service during the wheelchair securement.

The competition includes four sections to test your skills: written test, pre-trip inspection, driving obstacle course and wheelchair securement.

For an example of a typical obstacle course, visit this website: http://web1.ctaa.org/webmodules/webarticles/articlefiles/Roadeo_Guide_2013.pdf. To watch a video of a driver practicing for the competition, visit <https://www.youtube.com/watch?v=rmCu2Bwmebo>.

Registration Fee: Registration is FREE for the first 50 drivers who register. (Otherwise \$45). NOTE: Any driver participating in the full-day activity is given credit to satisfy KDOT's RTAP driver training requirement as an elective. A certificate will be awarded to all participants. Lunch and refreshments will be provided.

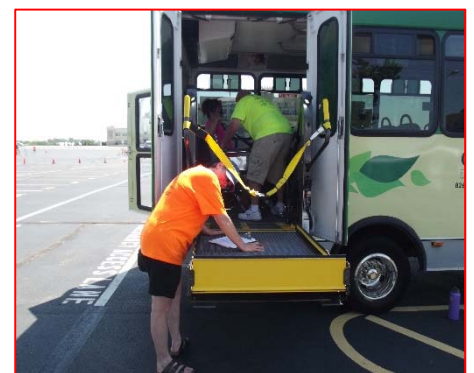

Register online: <http://kutc.ku.edu/calendar/rtap> or complete the registration form. Mail to Kristin Kelly, Kansas Rural Transit Assistance Program (RTAP), 1536 W. 15th St., M2SEC, G520, Lawrence, KS 66045. Fax (785) 864-3199.

Registration deadline is September 15, 2017.

Contact the Kansas Rural Transit Assistance Program (RTAP) for questions.
